

CatcherII™ Pump Mounted Pre-Filters Ordering Instructions

PFII300-L CatcherII Pump Mounted Prefilter

The PFII300-L Pump Mounted Pre-filter is designed to thread directly into the White Knight 200, 300, Renaissance 120, and 140L series pumps in place of the inlet fitting. The inlet fitting will then thread into the end of the pre-filter.

Copy Exact*

R__

*Configurations requiring copy exact will have an indicator at the end of the configuration which begins with “R” and is followed by a letter indicator specifying the revision of the product to be supplied. Contact White Knight for orders requiring copy exact
